

To assist you in planning your participation in your upcoming event, we are certain you will appreciate knowing in advance that union labour may be required for certain aspects of your exhibit handling. To help you understand the union jurisdictions, we ask that you read the following:

EXHIBIT INSTALLATION AND DISMANTLING

We currently we have an agreement with the Labourer's International Union of North America Local 506 (LIUNA) to provide labour for display installation and dismantling. Full time employees of the exhibiting companies however, may set their own exhibits without assistance from this Local. Any local services that may be required beyond what your regular full time employees can provide, must be rendered by Local 506. Labour can be ordered in advance by returning the Display Labour order form, or on showsite, at the Freeman service desk.

MATERIAL HANDLING

Exhibitors and full time employees of the exhibiting company may hand-carry their own materials into the exhibit facility. The use of dollies, pump trucks and other mechanical equipment, however, is not permitted. Freeman will control access to the loading docks in order to provide for a safe and orderly move-in/move-out.

TIPPING / GRATUITIES

Tipping is expressly prohibited. Our employees are paid at an excellent wage scale denoting a professional status, this applies to all Freeman employees. This includes such practices as giving money, merchandise or other special consideration for services rendered. For liability reasons, please do not extend any additional hours to the times actually worked on an installation and/or dismantling order. Any attempt to solicit a gratuity should be brought to the attention of a Freeman representative at the Freeman service desk or correspondence may be directed to the attention of the General Manager at the local office address.

SAFETY & EQUIPMENT

Standing on chairs, tables or rental equipment is prohibited. This equipment is not engineered to support your weight. Freeman cannot be responsible for injuries in assembling your booth, please order labour on the Display Labour form and the necessary ladders and/or tools will be provided.

Ladder Safety: in accordance with the Workplace Safety & Prevention Services, please note that labourers are not permitted to stand any higher than the third run from the top of a step ladder. The maximum height of our ladders is 12'

Tools: please note that labourers do not carry standard tools (other than a box cutter). When ordering display labour, please indicate on the order form any tools that may be required to perform the work (such as drills and bits, screwdrivers, hammers, ratchets, pry bars, ladders, etc.),
